

Education: The most important gift you can give to your child

Haileybury Astana

“We provide a holistic education that balances academic achievement with the development of character, resilience and leadership”.

John Coles
Headmaster

Welcome to Haileybury Astana

A Haileybury Astana education offers a world of opportunity for talented girls and boys who wish to embrace the challenge of pursuing academic excellence, gain fulfilment through participation in our broad range of co-curricular activities and make a valuable contribution to our happy and purposeful community.

Haileybury education is built on outstanding pastoral care. A nurturing environment underpins all of our endeavours and helps shape the distinctive characteristics of Haileyburians.

Our goal is for our young women and men to leave Haileybury fully equipped with the life skills and the academic credentials necessary for them to flourish in a competitive global employment market.

The school is very proud of our close links with Haileybury UK and Haileybury Almaty; we share both their traditions and values. We are proud to serve our local community in Astana. Vivat Haileyburia!

New Sci-Tech Hub at Haileybury Astana

In October 2025, Haileybury Astana, in partnership with Verny Capital, is proud to announce the opening of its new, state-of-the-art Sci-Tech Hub – a major milestone in the development of its educational environment. This cutting-edge facility is designed to support an integrated learning approach, bringing together Science, Technology, Engineering, and Mathematics in a cohesive, interdisciplinary framework.

Watch video "New Sci-Tech Hub at Haileybury Astana" on Youtube

At the Haileybury Astana Sci-Tech Hub, students will have the unique opportunity to collaborate, explore, and innovate in an environment that fosters interdisciplinary learning. The Centre serves as a hub for technological exploration, offering advanced resources for prototyping, 3D printing, robotics, and complex scientific experiments.

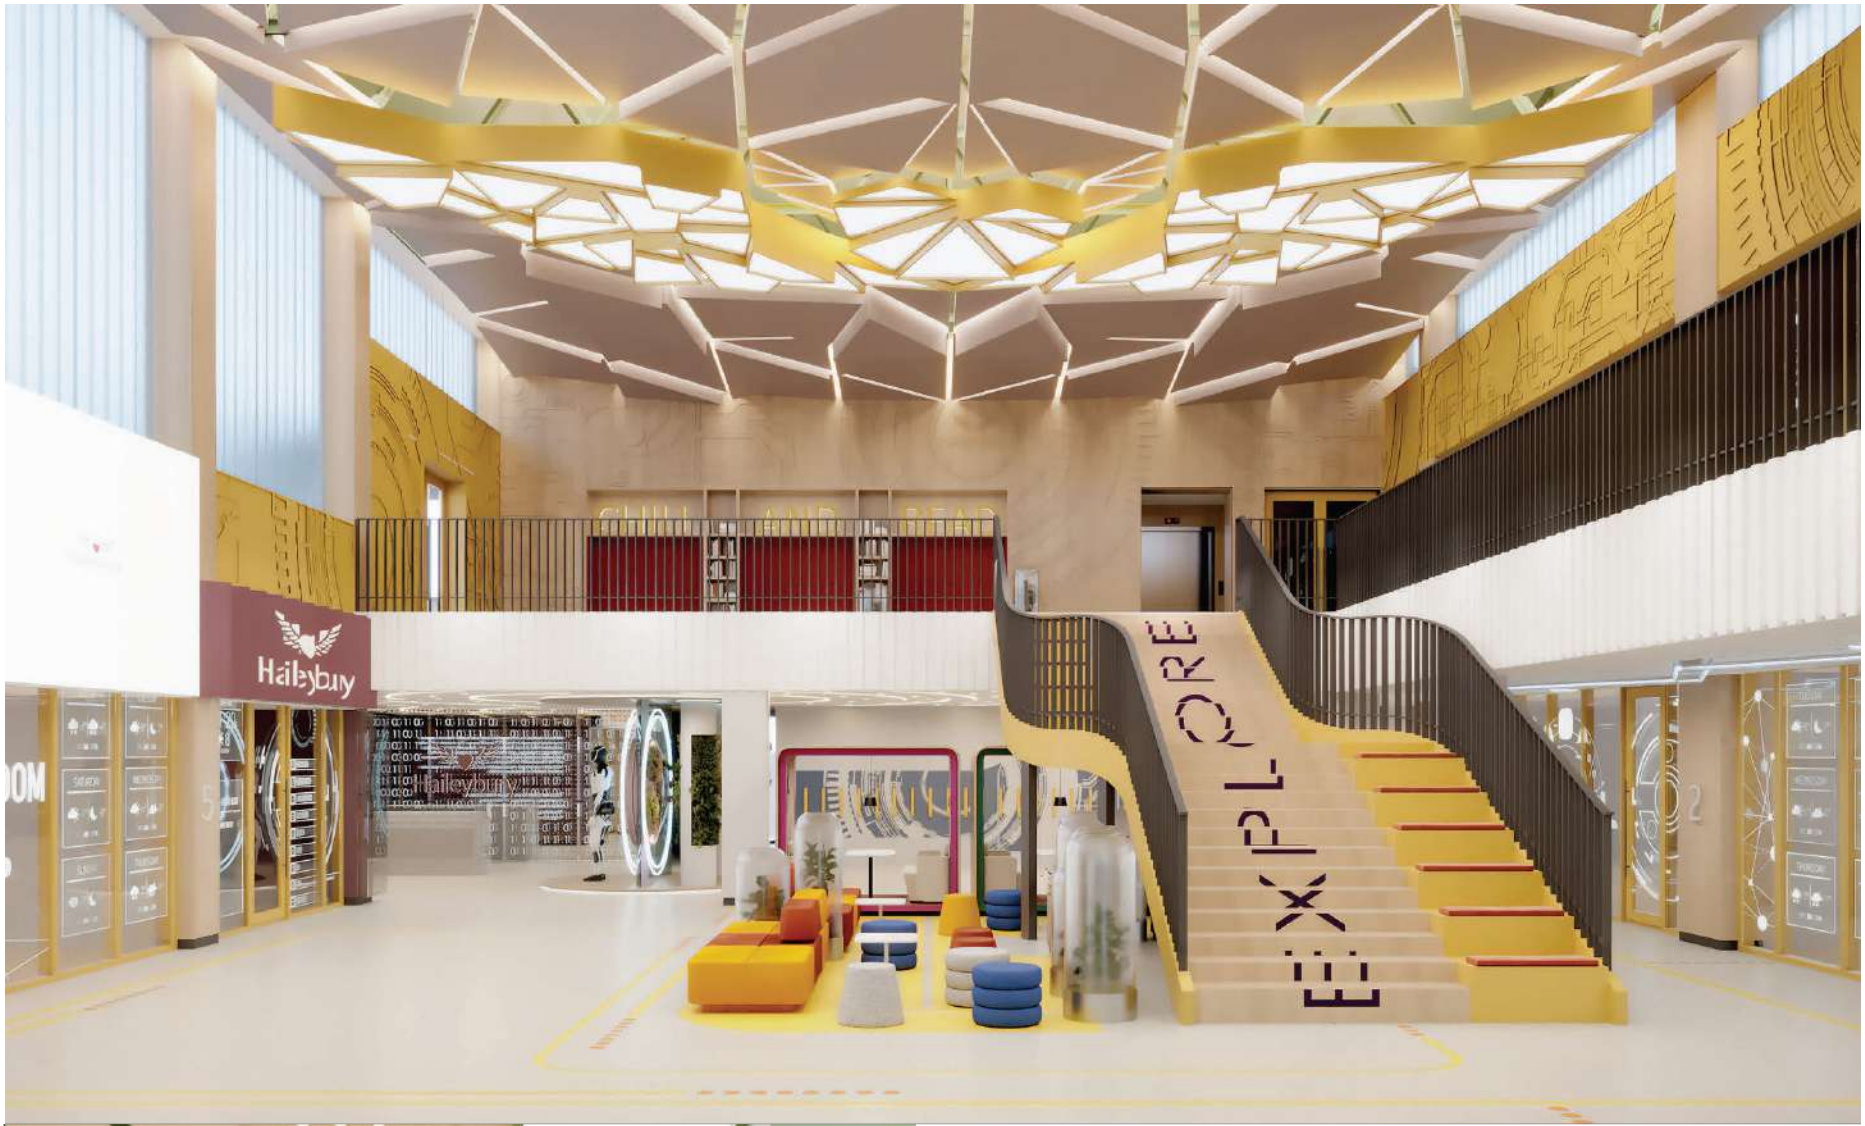

The Sci-Tech Hub's design reflects a commitment to modern, interdisciplinary education. Its diverse, well-equipped spaces promote exploration, creativity, and collaboration among students, helping them develop the skills essential for the future.

More than just a facility, the Haileybury Astana Sci-Tech Hub is a place where students become active creators, not mere consumers of knowledge.

Every area within the Hub is thoughtfully constructed to offer a holistic, immersive educational experience that mirrors the real-world integration of disciplines.

As a beacon of modern STEM education, the Haileybury Astana Sci-Tech Hub is poised to prepare students for higher education and beyond, nurturing the next generation of thinkers, creators, and innovators.

“ Experience the joy of watching your child explore new frontiers of knowledge in a facility designed to allow them to become future leaders and problem-solvers”.

Haileybury Astana Parent

The Early Years

The Early Years Foundation Stage provides the strongest start to your child's educational journey. Haileybury Astana focuses on the individual developmental needs and interests of children in Early Years.

Our talented staff, excellent teacher to pupil ratios and wonderful learning environment are just a few reasons that children settle into school life very quickly.

The sooner your child starts their journey at Haileybury Astana the better.

Children are exposed to an immersive English language environment throughout the day and make good progress in both their language development and in their personal and social interactions.

Haileybury

A young child with short brown hair, wearing a light blue polo shirt with the Haileybury logo, is smiling and looking down at a black tray. The child's hands are resting on the edge of the tray. The background is slightly blurred, showing what appears to be a classroom or play area with colorful artwork on the wall.

“You see these happy, helpful children wandering around and you realise what good individuals they are producing, what more could you want for your children”.

Haileybury Astana Kindergarten Parent

Junior School

At Haileybury Astana we believe that all children have individual talents which should be embraced and celebrated. Our curriculum ensures that learning is progressive, engaging and supports the development of lifelong, confident, and independent learners.

“There are clear curriculum plans in place across the school. The curriculum has depth, breadth and balance. There are many exciting and relevant curriculum themes with vibrant displays around the faculty areas”.

FOBISIA Inspection

Our extensive range of Co-Curricular Activities (CCAs) allow all children to build upon their interests or take a risk and try something new. Pupils are well supported and experience success in a safe, secure and nurturing environment enabling every child to thrive.

“The quality of the pupils’ achievements and learning is excellent”.

COBIS School Inspectorate

Watch video "Junior School at Haileybury Astana" on Youtube

A young girl with blonde hair, wearing a blue school uniform, is shown from the side, playing a drum with a wooden stick. The background is blurred, suggesting an outdoor or well-lit indoor setting. A large blue rectangular area on the right side of the image contains white text.

“The teachers and staff, show excellent level of communication and effort, both in and beyond the classroom to support students' learning and wellbeing”.

CIS/NEASC Report

Pastoral care

“The leadership, teachers and staff encourage student voice, agency and leadership. Empowering the students towards feeling ownership and stewardship of their school”.

CIS/NEASC Report

At Haileybury Astana we strongly believe that confident children make more successful learners.

Here, at Haileybury Astana, we provide not only high-quality education but outstanding wellbeing support.

Senior School

Our welcoming, warm and supportive environment places pastoral care at the heart of all that we do.

In Years 7 - 9 pupils study International British Curriculum. In Years 10 to 11 (aged 14-16) pupils focus on public examination courses called IGCSE. (International General Certificate of Secondary Education). These are rigorous English examinations which help prepare pupils as they head towards the IB (International Baccalaureate) programme aged 16-18.

Watch video "Excellent IGCSE Results" on Youtube

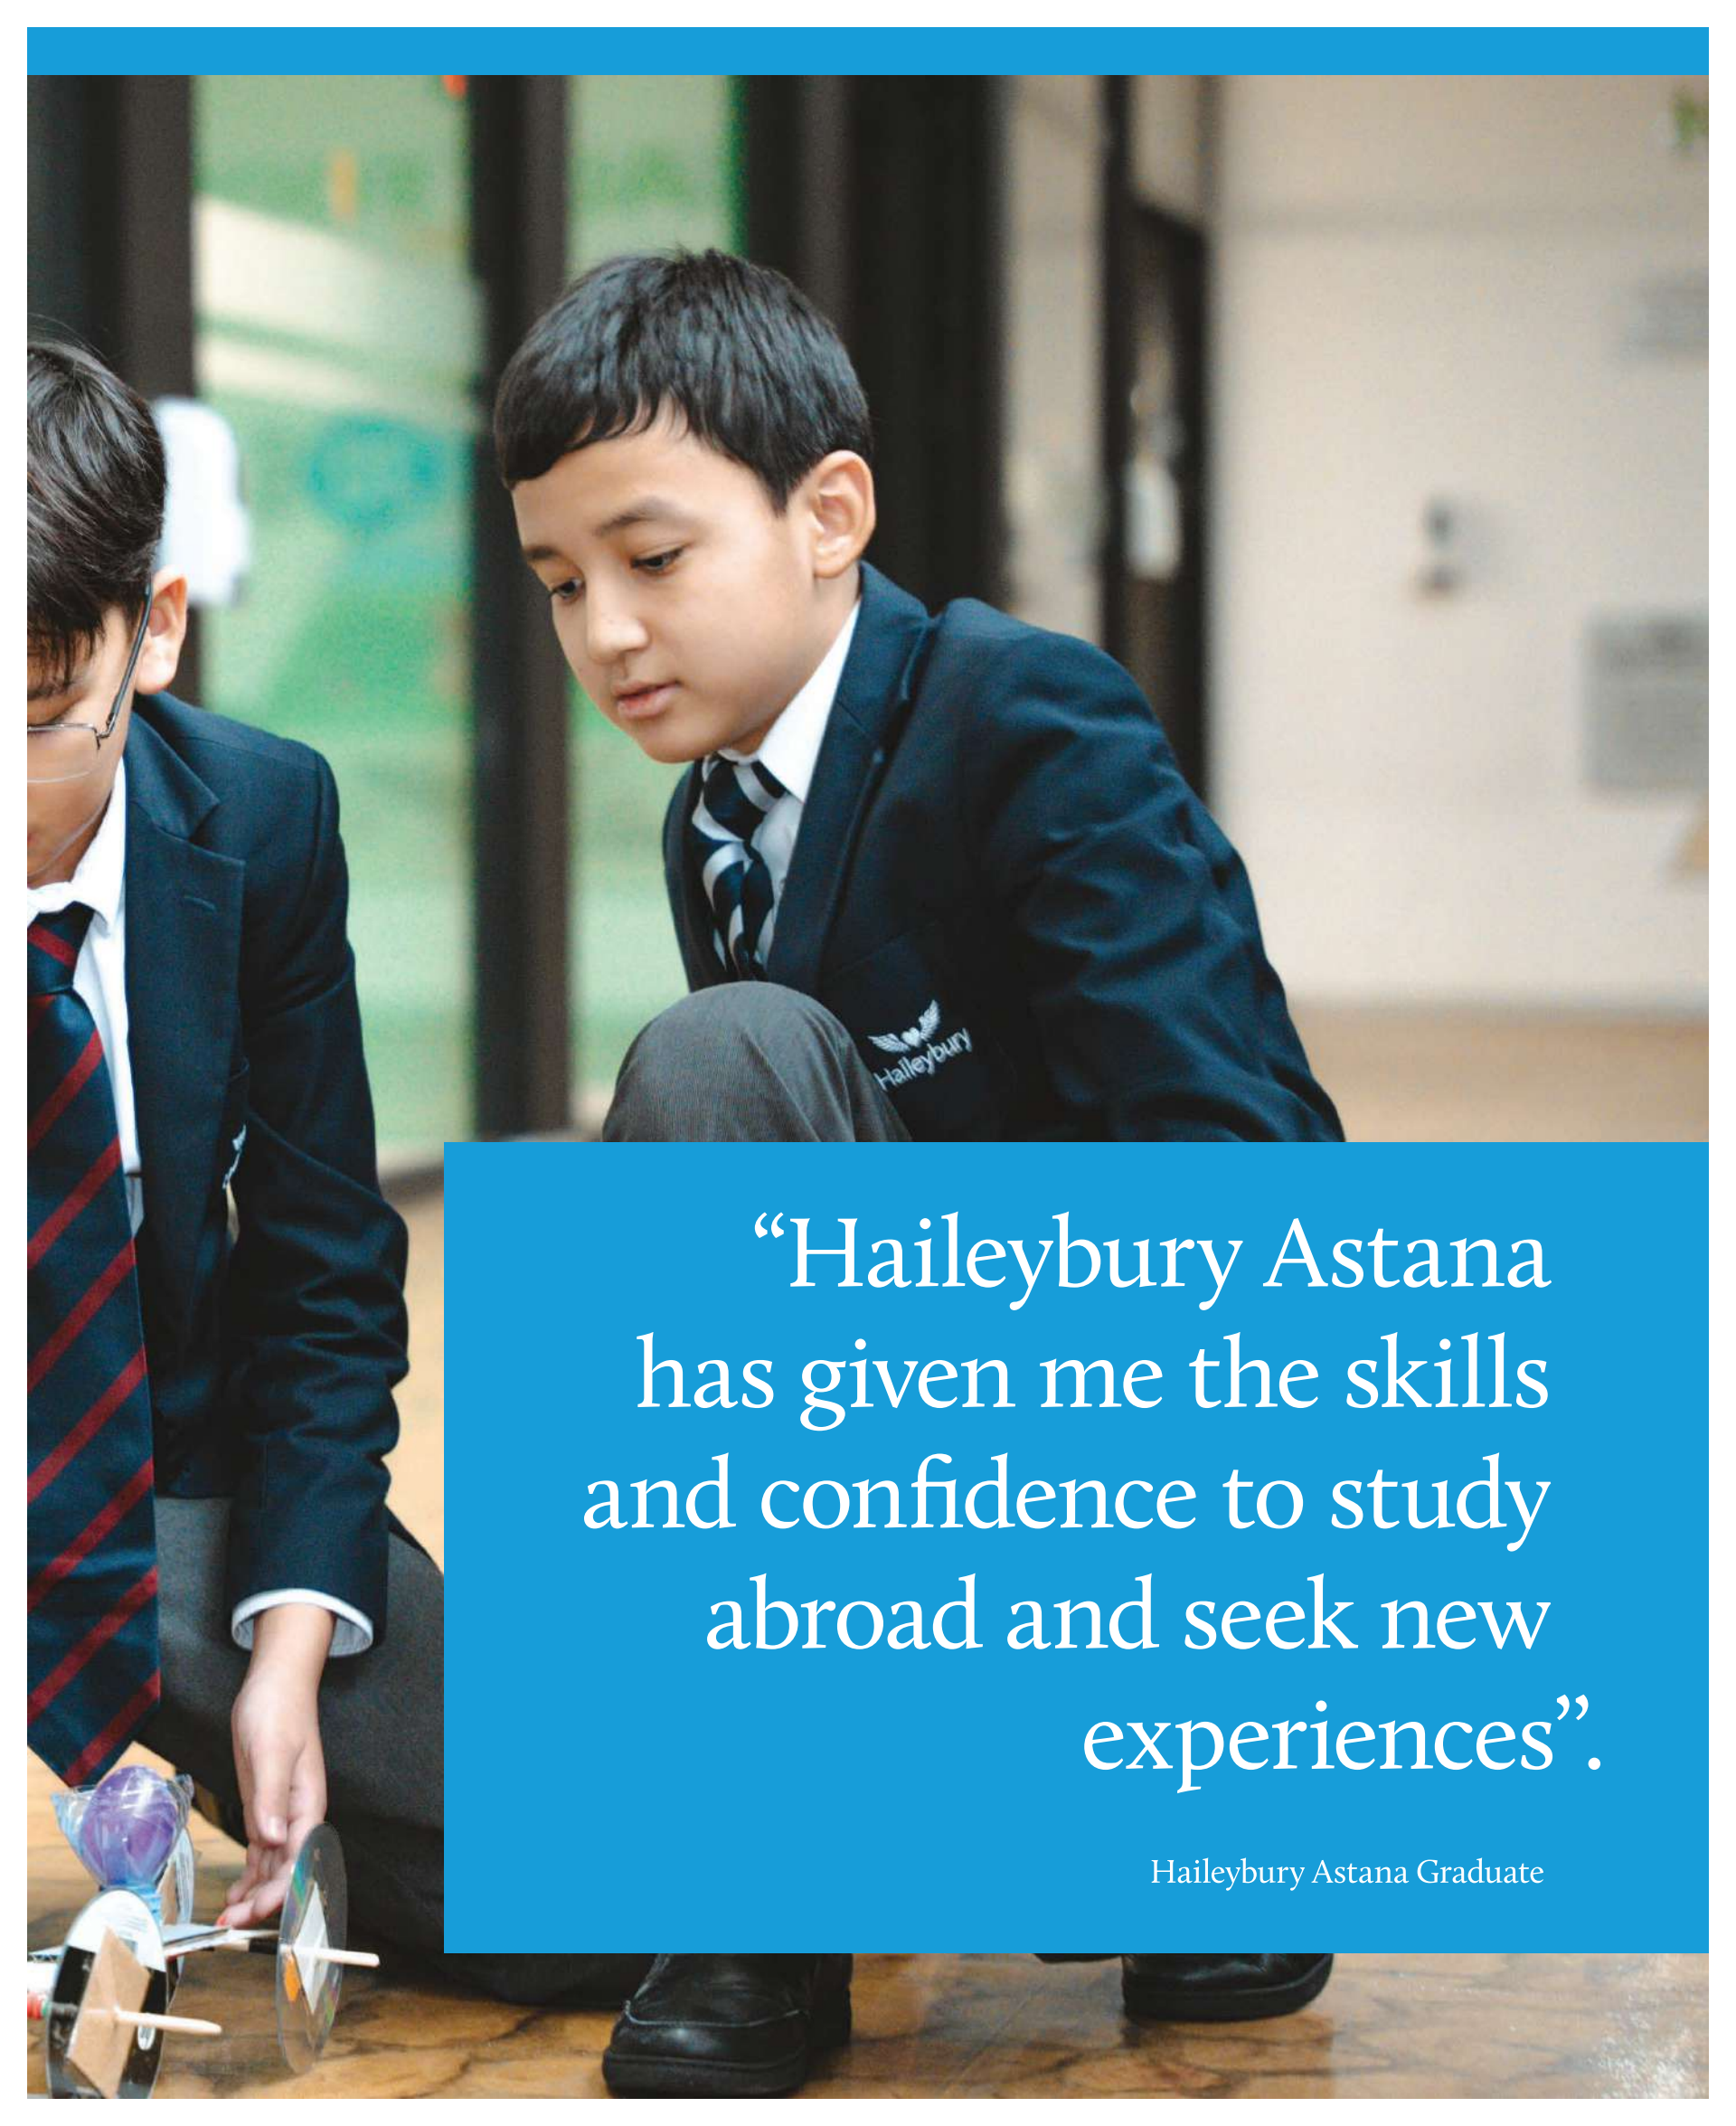

“Staff know the pupils extremely well and are adept at monitoring their wellbeing”.

CIS School Inspectorate

A photograph of two young boys in school uniforms. The boy on the right is kneeling and looking down at a project on the floor. The boy on the left is also kneeling and looking at the same project. They are both wearing dark blue blazers with a 'Haileybury' logo on the pocket. The background is a blurred indoor setting with large windows.

“Haileybury Astana
has given me the skills
and confidence to study
abroad and seek new
experiences”.

Haileybury Astana Graduate

Sixth Form: International Baccalaureate

The International Baccalaureate Diploma Programme (IBDP) is world renowned programme for pupils aged 16 to 18

Watch video "Life of IB Students: Expectations vs Reality" on Youtube

The IBDP enables the development of pupils who:

- Have excellent breadth and depth of knowledge;
- Flourish physically, intellectually, emotionally and ethically;
- Study at least two languages;
- Excel in traditional academic subjects;
- Explore the nature of knowledge through the programme's unique theory of knowledge course.

Co-Curricular
Activities (CCAs)
are an important part
of life at Haileybury

The education of the 'whole child' is at the core of our British International school values. CCAs include a range of specialised sports coaching, clubs and opportunities for pupils to experience new activities.

Sport

Sport is central to Haileybury life; it enhances confidence and resilience through teamwork and leadership as well as through physical, technical and mental stimulus.

At Haileybury Astana we offer a wide range of sporting activities for pupils at all ages and stages of development. The Sports Complex at Haileybury Astana is an outstanding amenity for pupils, offering a wide range of facilities including 25 metre indoor swimming pool, gym, sports hall, dance and a performing arts studio.

“My child developed all the basic skills and language for tennis, swimming, football, volleyball and more, and everything was presented in a fun, enjoyable, game-like way”.

Haileybury Astana Parent

Maker Space and Robotics Lab

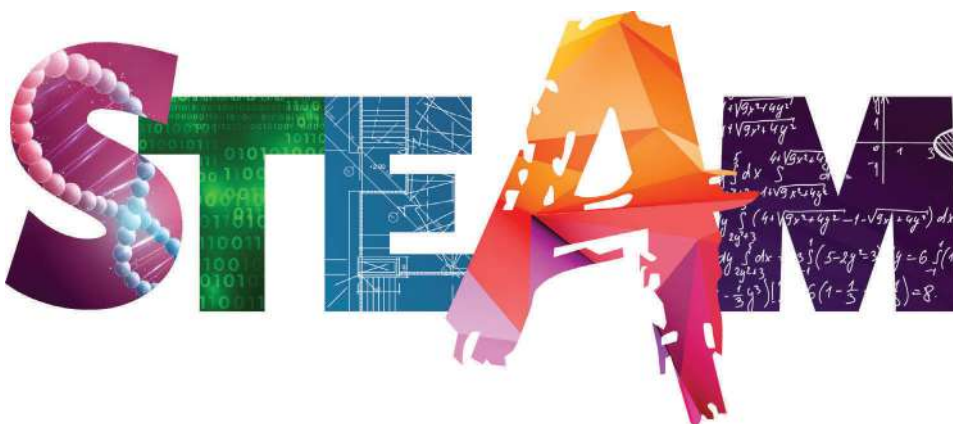

Our Maker Space and Robotics Lab prepares our students for the work of the future. Our Maker Space and Robotics Lab offers our pupils the opportunities to access state of the art resources in those two areas of Learning. At Haileybury Astana we integrate the successes of our curriculum into the Labs programme.

Our vision is to enable the creation of a modern, sustainable, technologically advanced, demand-driven and dynamic Maker Space and Robotics Lab that meets the needs of the Haileybury students.

The Maker Space Provides Haileybury students with opportunities to access STEAM education and engineering design practices.

Drama and Music

From instrumental and singing groups to drama groups and school productions, Haileybury Astana offers something for everyone. Our performing arts facilities are impressive; we have a Theatre, extensive practice rooms and a recording studio, performing arts suite and three teaching zones.

Theatre Production

We offer a peripatetic music programme which is very popular with pupils throughout the Junior and Senior school.

The Duke of Edinburgh's International Award

An Award without Barriers

We are proud to deliver The Duke Edinburgh's International Award Scheme (IA). This is a programme of personal development activities designed for all young people between the ages of 14 and 25. It is open to everyone, irrespective of background, and it allows every participant to challenge themselves and to define their character.
