

“Overall, joining FOBISIA will provide Haileybury Astana with a range of benefits, from professional development opportunities to quality assurance and networking. It is excellent for our school which is committed to providing a high-quality British-style education in Asia.”

“We were very impressed with the recruitment process, particularly the information the school provides interested teachers who apply to work at Haileybury Astana.”

“Haileybury Astana School fully meets the expectations of the FOBISIA membership criteria. As a result of working closely with the school community, HAS is now celebrating a growth in its enrolment, demand for places exceeds what the school can accommodate, and waiting lists are maintained.”

“The school campus and its facilities are very impressive. For areas such as sport, music, performing arts, science, art and design technology, the school is very well resourced and we were very impressed with what we saw.”

“There are clear curriculum plans in place across the school. The curriculum has depth, breadth and balance. There are many exciting and relevant curriculum themes with vibrant displays around the faculty areas.”

“Walking around the school we had a great sense of how students behaved and we commend the school on their expectations of their students.”

“Digital learning technology is apparent throughout the school and STEM subjects are prolific especially in the Makerspace zone.”

“During discussions, it is clear that safeguarding is a high priority at the school. There are clear safeguarding policies and protocols in place throughout the school.”

“The school has many exhibitions and high quality displays. Wellbeing and sustainability have a high profile in the school.”
