Junior School 1

UNIVERSITY OF  
CAMBRIDGE

“We provide a holistic education that balances academic achievement with the development of character, resilience and leadership”.

John Coles  
Headmaster

## Welcome to Haileybury Astana

A Haileybury Astana education offers a world of opportunity for talented girls and boys who wish to embrace the challenge of pursuing academic excellence, gain fulfilment through participation in our broad range of co-curricular activities and make a valuable contribution to our happy and purposeful community.

Haileybury education is built on outstanding pastoral care. A nurturing environment underpins all of our endeavours and helps shape the distinctive characteristics of Haileyburians.

Our goal is for our young women and men to leave Haileybury fully equipped with the life skills and the academic credentials necessary for them to flourish in a competitive global employment market.

The school is very proud of our close links with Haileybury UK and Haileybury Almaty; we share both their traditions and values. We are proud to serve our local community in Astana. Vivat Haileyburia!

# The Early Years

The Early Years Foundation Stage provides the strongest start to your child's educational journey. Haileybury Astana focuses on the individual developmental needs and interests of children in Early Years.

Our talented staff, excellent teacher to pupil ratios and wonderful learning environment are just a few reasons that children settle into school life very quickly.

The sooner your child starts their journey at Haileybury Astana the better.

Children are exposed to an immersive English language environment throughout the day and make good progress in both their language development and in their personal and social interactions.

“There are clear curriculum plans in place across the school. The curriculum has depth, breadth and balance. There are many exciting and relevant curriculum themes with vibrant displays around the faculty areas”.

FOBISIA Inspection

Our extensive range of Co-Curricular Activities (CCAs) allow all children to build upon their interests or take a risk and try something new. Pupils are well supported and experience success in a safe, secure and nurturing environment enabling every child to thrive.

“The quality of the pupils’ achievements and learning is excellent”.

COBIS School Inspectorate

“The teachers and staff, show excellent level of communication and effort, both in and beyond the classroom to support students' learning and wellbeing”.

CIS/NEASC Report

Watch video "Junior School at Haileybury Astana" on Youtube

“The leadership, teachers and staff encourage student voice, agency and leadership. Empowering the students towards feeling ownership and stewardship of their school”.

CIS/NEASC Report

At Haileybury Astana we strongly believe that confident children make more successful learners.

# Pastoral care

Here, at Haileybury Astana, we provide not only high-quality education but outstanding wellbeing support.

# Senior School

Our welcoming, warm and supportive environment places pastoral care at the heart of all that we do.

“Staff know the pupils extremely well and are adept at monitoring their wellbeing”.

CIS School Inspectorate

In Years 7 - 9 pupils study International British Curriculum. In Years 10 to 11 (aged 14-16) pupils focus on public examination courses called IGCSE. (International General Certificate of Secondary Education). These are rigorous English examinations which help prepare pupils as they head towards the IB (International Baccalaureate) programme aged 16-18.

# Sixth Form: International Baccalaureate

The International Baccalaureate Diploma Programme (IBDP) is world renowned programme for pupils aged 16 to 18

The IBDP enables the development of pupils who:

- Have excellent breadth and depth of knowledge;
- Flourish physically, intellectually, emotionally and ethically;
- Study at least two languages;
- Excel in traditional academic subjects;
- Explore the nature of knowledge through the programme's unique theory of knowledge course.

The education of the 'whole child' is at the core of our British International school values. CCAs include a range of specialised sports coaching, clubs and opportunities for pupils to experience new activities.

Co-Curricular Activities (CCAs) are an important part of life at Haileybury

# Sport

At Haileybury Astana we offer a wide range of sporting activities for pupils at all ages and stages of development. The Sports Complex at Haileybury Astana is an outstanding amenity for pupils, offering a wide range of facilities including 25 metre indoor swimming pool, gym, sports hall, dance and a performing arts studio.

Sport is central to Haileybury life; it enhances confidence and resilience through teamwork and leadership as well as through physical, technical and mental stimulus.

“My child developed all the basic skills and language for tennis, swimming, football, volleyball and more, and everything was presented in a fun, enjoyable, game-like way”.

# Maker Space and Robotics Lab

Our Maker Space and Robotics Lab prepares our students for the work of the future. Our Maker Space and Robotics Lab offers our pupils the opportunities to access state of the art resources in those two areas of Learning. At Haileybury Astana we integrate the successes of our curriculum into the Labs programme.

Our vision is to enable the creation of a modern, sustainable, technologically advanced, demand-driven and dynamic Maker Space and Robotics Lab that meets the needs of the Haileybury students.

The Maker Space Provides Haileybury students with opportunities to access STEAM education and engineering design practices.

# Drama and Music

From instrumental and singing groups to drama groups and school productions, Haileybury Astana offers something for everyone. Our performing arts facilities are impressive; we have a Theatre, extensive practice rooms and a recording studio, performing arts suite and three teaching zones.

We offer a peripatetic music programme which is very popular with pupils throughout the Junior and Senior school.

Theatre Production

# The Duke of Edinburgh's International Award

## An Award without Barriers

We are proud to deliver The Duke of Edinburgh's International Award Scheme (IA). This is a programme of personal development activities designed for all young people between the ages of 14 and 25. It is open to everyone, irrespective of background, and it allows every participant to challenge themselves and to define their character.

Assy-Turgen Observatory  
Almaty Region, Kazakhstan

Our average student IB Diploma score for 2023 was 36.1. The world average score was 30.24.
