

How far would you like to go?

Haileybury Almaty

“A Haileybury Almaty education offers a world of opportunity for talented girls and boys who wish to embrace the challenge of pursuing academic excellence, gain fulfilment through participation in our broad range of co-curricular activities and make a valuable contribution to our happy and purposeful community.”

Simon Mills,
Headmaster

Welcome to Haileybury Almaty

We are academically selective and we expect our pupils to achieve excellent examination results at IGCSE and A-Level, our pupils take up places at elite universities in the US, the UK, Europe, Asia and around the world. In addition to providing intellectual rigour, challenge, and encouraging academic curiosity, we provide a holistic education that balances academic achievement with the development of character, resilience, and leadership. All pupils are strongly encouraged to take full advantage of the widest range of co-curricular activities on offer at Haileybury Almaty. Participation in these activities stretches the pupils; it promotes a sense of social responsibility, enhances team spirit, engenders confidence and develops strong values to guide them in an increasingly complex world. A Haileybury education is built on outstanding pastoral care. A nurturing environment underpins all of our endeavours and helps shape the distinctive characteristics of Haileyburians. Our goal is for our young women and men to leave Haileybury fully equipped with the life skills and the academic credentials necessary for them to flourish in a competitive global employment market. We hope that they leave the school fulfilled, proud of their achievements and full of compassion for others. The school is very proud of our close links with Haileybury UK and Haileybury Astana. We share both their traditions and values. We are proud to serve our local community in Almaty.

The Early Years

(From 4 years old)

The Early Years Foundation Stage provides the strongest start to your child's educational journey. Haileybury Almaty focuses on the individual developmental needs and interests of children in the Early Years.

Children are exposed to an immersive English language environment throughout the day and make good progress in both their language development and in their personal and social interactions.

Our talented staff, excellent teacher to pupil ratios, and wonderful learning environment are just a few reasons that children settle into school life very quickly.

“In Reception children learn Mathematics, English and other core subjects through games and active play. The sooner your child starts their journey at Haileybury Almaty the better.”

Junior School

(5 - 11 years)

We prepare pupils to develop well academically and to achieve at the highest level. Their endeavours are supported by outstanding facilities, study resources and enrichment opportunities.

At Haileybury Almaty we believe that every child has unique and different gifts and talents. The Junior School years are the time to acknowledge and celebrate those gifts and talents. Our broad and balanced child-centred curriculum allows for each and every child to explore their interests and experience success in a safe, secure and nurturing environment. The extensive range of Co-Curricular Activities available in the Junior School allow children to build on their interests or take a risk and try something new. The partnerships that our Junior School teachers build with parents are a vital part of every child's education. There are many opportunities throughout the year for parents to be part of the learning experience. Parents are always welcome.

“The Junior School teachers played a vital role in laying a strong foundation for my child.”

Haileybury Almaty Parent

“Pupils achieve very high levels individually in a wide range of subjects and interests, frequently stimulated by excellent provision of additional academic opportunities.”

Senior School

(11-18 years)

Our welcoming, warm and supportive environment places strong pastoral care at the heart of all that we do.

In Years 10 to 11 (aged 14 – 16) pupils focus on public examination courses called IGCSE (International General Certificate of Secondary Education). These are rigorous examinations which help prepare pupils as they head towards the A-Level Programme in Years 12 and 13.

“In the Senior School — the dedicated approach of the teachers in guiding the pupils in Academics and co-curricular activities is noteworthy and is praiseworthy.”

School Inspectorate

“A school and its teachers not only act as educators, they also encourage pupils to dream big, think out of the box and grow their passion. They act as a guide, facilitator and mentor.”

A-Levels | Sixth Form

(16 - 18 years)

Studying A-Levels in the Sixth Form at Haileybury Almaty presents an exciting opportunity for girls and boys to make significant choices about their future. This is the key time for our most senior pupils to gain high quality qualifications and experiences to enter the world's best universities.

The A-Level curriculum provides a focused, investigative learning opportunity. By choosing three or four subjects, pupils identify as subject specialists and explore subject areas in detail. These are world class, globally respected academic courses that prepare young people very well for university.

“There were a lot of opportunities which are offered to students to go to the best universities in the world.”

Alumnus from the
University of Cambridge

In 2021 the Y13 leavers produced very strong A-Level examination results, with 70% of all grades being at either A* or A grade.

Our former pupils are studying at MIT, Yale, Columbia Universities in America as well as the Universities of Cambridge and Oxford and other excellent universities across the world.

“I am thrilled that soon I will be able to meet Haileybury’s other brilliant former pupils and collaborate with them.”

Haileybury Almaty Graduate

We aim to strengthen the relationship between the school and its Alumni to further develop the spirit of service to the community.

Haileybury Connect Kazakhstan is the official Alumni Society for former pupils of Haileybury Almaty and Haileybury Astana.

Pastoral Care

High quality pastoral care at Haileybury Almaty is at the heart of everything we do.

We are committed to supporting our pupils' mental health and wellbeing so our pupils can achieve their full potential in order to be successful and enjoy their time at school.

We recognise that some aspects of life inside and outside of school can be challenging especially for the pupils' mental health and wellbeing.

“Here at Haileybury Almaty we provide not only high-quality education but also outstanding pastoral support.”

Co-Curricular Activities
are an important part
of life at Haileybury

We offer a vast array of activities, designed to enable each pupil to confront obstacles in their way, learn more about themselves, become more confident and shape their own identity.

The education of the 'whole child' is at the core of our British international school values. Co-Curricular Activities include a range of specialised sports coaching, clubs and opportunities for pupils to experience new activities.

“We hope that with the wide range of Co-Curricular Activities available pupils can find something that appeals to them.”

Haileybury Almaty Parent

Sport

Sport is the central to Haileybury life; it enhances confidence and resilience through teamwork and leadership as well as through physical, technical and mental stimulus.

At Haileybury Almaty we offer a wide range of sporting activities for pupils at all ages and stages of development.

Facilities at the School include a 25 metre indoor Swimming Pool, Gym, Sports Hall, and Dance, Performing Arts and Music Studios.

“The sports events were so good and so well managed. The active participation of all pupils and teachers add so much to a child’s personality.”

Maker Space and Robotics Lab

Our Maker Space and Robotics Lab prepares our pupils for the work of the future. At Haileybury Almaty we integrate core digital programming and problem solving skills into our Robotics programme. Haileybury Almaty provides pupils with opportunities to access STEAM education and engineering design practices.

“The Robotics Lab has a variety of 3D printers and other tools that we can use in our projects.”

Haileybury Almaty Pupil

Robotics Team
Introduction

“Our vision is to enable the creation of a modern, sustainable, technologically advanced, demand-driven and dynamic Maker Space and Robotics Lab that meets the needs of the Haileybury pupils.”

Drama and Music

From instrumental and singing groups to drama groups and school productions, Haileybury Almaty offers something for everyone. Our Performing Arts facilities are impressive. We have a Theatre, extensive practice rooms and a Recording Studio, Performing Arts Suite and dedicated Music teaching rooms. We offer a specialised Music programme which is very popular with pupils throughout the Junior and Senior School.

“Haileybury Almaty teachers adopt innovative methods of teaching to help their pupils to grasp and understand the subjects’ concept better, and more importantly, make the learning process fun and interesting.”

The Duke of Edinburgh's International Award

We are proud to deliver The Duke of Edinburgh's International Award Scheme (IA). This is a highly respected programme of personal development activities designed for young people between the ages of 14 and 25. It is open to everyone and it allows every participant to challenge themselves and to define their character.

This is one of the world's most recognised youth leadership awards and it operates in 130 countries globally with 7.9 million young people involved. Haileybury Almaty is now the biggest provider of the International Award in Central Asia.

Irrespective of level, the Award Scheme is a balanced programme of activities that develops the whole person – mind, body and soul – in an environment of social interaction and team working. In gaining awards, pupils learn by experience the importance of self-discipline, organisation, enterprise and effort.

Complete the enquiry form
