School Prospectus

Haileybury Astana

“We provide a holistic education that balances academic achievement with the development of character, resilience and leadership”

John Coles,
Headmaster

Welcome to Haileybury Astana

A Haileybury Astana education offers a world of opportunity for talented girls and boys who wish to embrace the challenge of pursuing academic excellence, gain fulfilment through participation in our broad range of co-curricular activities and make a valuable contribution to our happy and purposeful community.

Haileybury education is built on outstanding pastoral care. A nurturing environment underpins all of our endeavours and helps shape the distinctive characteristics of Haileyburians.

Our goal is for our young women and men to leave Haileybury fully equipped with the life skills and the academic credentials necessary for them to flourish in a competitive global employment market.

The school is very proud of our close links with Haileybury UK and Haileybury Almaty; we share both their traditions and values. We are proud to serve our local community in Nur-Sultan. Vivat Haileyburia!

The Early Years

The Early Years Foundation Stage (aged 2-4) Creche, Nursery, Reception, provides the strongest start to your child's educational journey. Haileybury Astana focuses on the individual developmental needs and interests of children in Early Years.

Our talented staff, excellent teacher to pupil ratios and wonderful learning environment are just a few reasons that children settle into school life very quickly.

Children are exposed to an immersive English language environment throughout the day and make good progress in both their language development and in their personal and social interactions.

The sooner your child start's their journey at Haileybury Astana the better.

“You see these happy, helpful children wandering around and you realise what good individuals they are producing, what more could you want for your children?”

Haileybury Astana Kindergarten Parent

Our extensive range of Co-Curricular Activities allow all children to build upon their interests or take a risk and try something new. Pupils are well supported and experience success in a safe, secure and nurturing environment enabling every child to thrive.

Junior School

At Haileybury Astana we believe that all children in Year 1-6 (aged 5-10) have individual talents which should be embraced and celebrated. Our curriculum ensures that learning is progressive, engaging and supports the development of lifelong, confident, and independent learners.

Pastoral care

Senior School

Our welcoming, warm and supportive environment places pastoral care at the heart of all that we do.

In Years 7-9 (aged 11-13) our pupils study a broad and balanced curriculum. In Years 10 to 11 (aged 14-16) pupils focus on public examination courses called IGCSE. (International General Certificate of Secondary Education). These are rigorous english examinations which help prepare pupils as they head towards the IB (International Baccalaureate) programme aged 16-18.

Sixth Form: International Baccalaureate

The International Baccalaureate Diploma Programme (IBDP) is world renowned programme for pupils aged 16 to 18

The IBDP enables the development of pupils who:

- Have excellent breadth and depth of knowledge;
- Flourish physically, intellectually, emotionally and ethically;
- Study at least two languages;
- Excel in traditional academic subjects;
- Explore the nature of knowledge through the programme's unique theory of knowledge course.

The education of the 'whole child' is at the core of our British International school values. CCAs include a range of specialised sports coaching, clubs and opportunities for pupils to experience new activities.

Co-Curricular Activities (CCAs) are an important part of life at Haileybury

Sport

At Haileybury Astana we offer a wide range of sporting activities for pupils at all ages and stages of development. The Sports Complex at Haileybury Astana is an outstanding amenity for pupils, offering a wide range of facilities including 25 metre indoor swimming pool, gym, sports hall, dance and a performing arts studio.

Sport is central to Haileybury life; it enhances confidence and resilience through teamwork and leadership as well as through physical, technical and mental stimulus.

“My child developed all the basic skills and language for soccer, baseball, football, volleyball and more, and everything was presented in a fun, enjoyable, game-like way.”

Haileybury Astana Parent

Maker Space and Robotics Lab

Our Maker Space and Robotics Lab prepares our students for the work of the future. The first phase of our Maker Space and Robotics Lab was completed in August 2021. At Haileybury Astana we integrate the successes of our curriculum into the Labs programme.

"Our vision is to enable the creation of a modern, sustainable, technologically advanced, demand-driven and dynamic Maker Space and Robotics Lab that meets the needs of the Haileybury students."
Haileybury Astana Teacher

The Maker Space provides Haileybury students with opportunities to access STEAM education and engineering design practices.

Drama and Music

From instrumental and singing groups to drama groups and school productions, Haileybury Astana offers something for everyone. Our performing arts facilities are impressive; we have a new Theatre, extensive practice rooms and a recording studio, performing arts suite and three teaching zones.

We offer a peripatetic music programme which is very popular with pupils throughout the Junior and Senior school.

Theatre Production

The Duke of Edinburgh's International Award

An Award without barriers

We are proud to deliver The Duke of Edinburgh's International Award Scheme (IA). This is a programme of personal development activities designed for all young people between the ages of 14 and 25. It is open to everyone, irrespective of background, and it allows every participant to challenge themselves and to define their character.

Assy-Turgen Observatory
Almaty Region, Kazakhstan

Our average student IB Diploma score for 2021 was 37. The world average score was 29.
